

Jennifer Johnson is Associate General Counsel for the Specialty Products Division of DowDuPont™. She leads a large in-house legal team, which supports DowDuPont's Industrial Biosciences business, and has responsibility for all commercial and intellectual property matters. Jennifer came to DuPont in 2013 from Finnegan, where she was a partner specializing in biotech and pharmaceutical patent litigation. She has served as an adjunct professor at Howard University School of Law, where she taught patent law and patent policy. Jennifer holds a J.D. from the University of Washington in Seattle and a Ph.D. in plant biology from the University of California, Berkeley.
